The Fall Game Play Season will run 9 weeks - from September 11th to November 6th. Team formation will occur in July. Practice will begin in August.

Playoffs for U10 and above will occur November 13th and 20th. Top two teams per division will advance to Area playoffs in December.

We are planning around the latest State and County Safety Guidelines and Recommendations while implementing AYSO National's 4 Phased Return-To-Play Plan. Currently we are in Phase 3 which allows for full team games and scrimmages with spectator limitations and mask mandates for everyone except players (while actively playing). We hope to progress into Phase 4 which is a complete return to a pre-pandemic environment with no restrictions or mask mandates. These are unprecedented times, and no one knows for certain if/when we will advance through the 4 Return-to-Play Phases, and so we are taking it day-by-day. Please be patient as we are a 100% volunteer organization and we are doing everything we can to provide a Fall program for the kids!

We need coaches for all our age groups from U4 through U14. We provide all training, certification, and safety courses required. Sign up at ayso28.org, login to your account and click the volunteer icon on the left menu, then click the Find Volunteer Roles link.

Remember it is and will always be all about the kids! Please consider volunteering to coach so that we can work together to get as many kids back out on the field as possible in a Positive, Instructional, and Encouraging program.
